

Lake Travis Zipline Adventures Visitor Agreement

(Including Acknowledgement and Assumptions of Risks, Agreements of Release and Indemnity, and Other Provisions)

Please read this document carefully. It must be signed by all adult visitors ("Visitors") to the premises and facilities of Lake Travis Zipline Adventures LLC ("the Park"). If the visitor is a minor (younger than eighteen years of age), at least one parent or court-appointed guardian (parent and guardian being referred to below as "Parent") must sign, as evidence of his or her agreement to these terms and conditions for himself or herself and, to the maximum extent allowed by law, on behalf of the minor Visitor. Unaccompanied minors must be at least 18 years of age to participate in the zipline activities. An unaccompanied minor must provide evidence that the signature of a parent or guardian is authentic, including by a photo copy of the signing party's driver's license.

In consideration of the services of the Park, its owners and operators I, Visitor or the Parent of a minor Visitor acknowledge and agree as follows:

ACTIVITIES AND RISKS:

Access to the Park is by boat only and may include transport from a public boat dock by pontoon boats operated by Park staff. The Park has no responsibility for the conduct of Visitors at the docks, which may include swimming. Visitors are allowed to move about areas of the Park only within marked boundaries and may enter the water only in areas designated for water activities. Except while participating in zipline activities, Visitors move about the Park and enter the water at their own risk and should not assume that they are being supervised or even observed. Warnings and instructions, including by signs and Park staff, must be observed. Children under 18 must be always accompanied by an adult.

The zipline tour activities include travel along the ziplines (cables) at heights which, depending on the level of the Lake, may exceed 200 feet. Ziplines may descend steeply and will cross ravines and lake inlets. Travel from one zipline to another may be over steep and uneven ground and may be strenuous. Participants, instructed by staff, will be attached to the cable by means of a lanyard clipped onto the participant's harness. The participant will then move, often with considerable speed, down and along that cable, to a stopping point at which, with the assistance of staff, the participant will disconnect from the cable and move to another line, or off the tour. Participants share with staff the responsibility with staff for assuring that they are properly attached to a lanyard before beginning down the zipline. A harness which is not attached to a secure point provides no protection, and a fall and serious injury are almost certain to occur. Several ziplines cross bodies of water whose depth would require swimming to safety in the unlikely event of an equipment failure or other accident which causes the participant to land in that water. Participants may request personal floatation devices for tours on those ziplines. The risks of tours on such lines include water immersion and drowning. Participants will have an active role and

responsibilities in their “zipping”, including preparedness for the beginning of the zip, landing and dismounting. The use of gear and other procedures will be described during a brief orientation prior to the tour. Zipline activities require moderate to vigorous physical exertion.

Hazards and Risks: The activities of the Park and its equipment, structures and premises expose Visitors to certain risks of injury and illness, including: watercraft, including boats used to transporting Visitors to the Park, may collide and capsize, throwing passengers into the water; falls while moving about the premises of the Park, including on the ziplines; abrupt and possibly harmful contact with structures (fixed and moveable), and persons; anxieties and fears associated with heights; the possibility of close personal contact with other participants and staff, including the transmission of communicable diseases; carelessness and misjudgments, including negligence, of Visitors and the staff of the Park, including failing to follow proper procedures, instructions and the operating policies of the Park; the failure of structures and equipment; and the unpredictable forces of nature. The terrain of the Park may be uneven and unstable, particularly near the water. Visitors may encounter plants and animals which may cause harm. Visitors may be exposed to communicable diseases carried by other Visitors and staff. The Park is remote, and medical evacuation and care may be significantly delayed. The staff has no training for medical emergencies other than basic first aid and CPR.

Injuries and other losses arising from these and other risks include serious illness, breaks, sprains, strains, bruises and other contusions and in extreme cases emotional upset, anxiety and even death. Water activities, including wading, swimming, and boating – including transport to and from the Park - include the risks of prolonged water immersion and drowning.

The risks described above, and others, are inherent in a visit to The Park and participating in activities at the Park – that is, they cannot be removed without altering the nature of the experience. The description of risks above is not complete and other unknown or unanticipated risks may result in property loss, serious illness, injury or death.

ASSUMPTION OF RISKS:

I acknowledge and voluntarily assume the risks of illness, injury, and death associated with these activities, inherent or otherwise, and whether or not they are described above. I understand that Visitors may engage in other activities, supervised and not supervised. If the Visitor is a minor I, Parent, have discussed the activities and risks with him or her, the minor child understands them and wishes to participate nevertheless, and I consent to such participation, by my signature below.

RELEASE AND INDEMNITY:

I, AN ADULT VISITOR OR PARENT OF A VISITOR WHO IS A MINOR (FOR

MYSELF AND TO THE MAXIMUM EXTENT ALLOWED BY LAW, ON BEHALF OF THE MINOR), HEREBY VOLUNTARILY RELEASE AND AGREE NOT TO SUE, AND AGREE TO INDEMNIFY AND HOLD HARMLESS, LAKE TRAVIS ZIPLINE ADVENTURES LLC, SHIPTX GROUP, LTD., BFG INVESTMENTS PARTNERSHIP, LTD, BOSCO OZZIE BOY LLC, AND THEIR RESPECTIVE PARTNERS, OWNERS, DIRECTORS, EMPLOYEES, VOLUNTEERS AND INDEPENDENT CONTRACTORS, (THE "RELEASED PARTIES") WITH RESPECT TO ANY AND ALL CLAIMS, DEMANDS, OR CAUSES OF ACTION WHICH ARE IN ANY WAY RELATED TO MY OR THE MINOR'S BEING ENROLLED IN OR PARTICIPATING IN ACTIVITIES AT THE PARK AND THE USE OF ITS EQUIPMENT OR FACILITIES. THE AGREEMENTS OF RELEASE AND INDEMNITY INCLUDE CLAIMS WHICH ALLEGE NEGLIGENT ACTS OR OMISSIONS OF A RELEASED PARTY, BUT NOT CLAIMS OF GROSS NEGLIGENCE OR INTENTIONALLY WRONGFUL CONDUCT.

I authorize any qualified medical or para-medical provider, including a member of the Park staff, to administer or obtain emergency medical care for me or the child and to exchange medical information with the third party care provider. I hereby give permission for transportation to a medical facility or hospital. I accept responsibility for the costs of such medical care and transportation.

4) I represent that neither I nor the minor child is under the influence of alcohol or drugs when signing this Agreement and will not be under such influence when participating in zip line or water activities or any other activities associated with the Park.

5) I agree that the Park may use for promotional purposes any photograph or video images taken of me or the minor child while at the Park, without compensation.

6) Should a court of competent jurisdiction declare any portion of this agreement unenforceable, the remaining parts or paragraphs shall remain in full force and

effect.

7) I agree that if a released party is forced to defend any action, lawsuit or litigation by me or my minor child or my or the child's executors, or heirs, or family on my or the child's behalf, I or my, or the child's, heirs or executors and I agree to pay released parties, their costs of litigation and attorney's fees if or to the extent they successfully defend such action, lawsuit or litigation.

8) I agree that the venue of any lawsuit or other litigation regarding my or the child's visit to the Park or the terms of this Agreement shall be in Travis County, Texas and governed by Texas substantive law (not including the laws of Texas which might invoke the laws of another jurisdiction.)

9) Personal information of Visitors will be kept confidential and will never be sold to third parties. It will be used ONLY for communications related to the services provided by Lake Travis Zipline Adventures of Austin TX or to give notice of special promotions and sales events.

I have read and fully understand this agreement. I am aware that by signing this agreement I am waiving the rights described above which I (or the minor on whose behalf I sign), or my (or the minor's) heirs, next of kin, executors, administrators, assigns and representatives may have.
